Celebrate pin trading with PInTeresting facts

October 27, 2017 in [Disney's Hollywood Studios](#) [\[Edit\]](#) [\[Feed View\]](#)

For the month of October, Disney's Hollywood Studios is celebrating the heritage of pin trading at Disney Parks. Learn the origins of the first-ever Disney pin, how pin trading began and what goes into creating a pin. Be sure to share these PInTeresting facts next time you are pin trading with Guests.

Fact of the week: In the 1930s, the first known Disney pin was approved by the Walt Disney Studios. It was then issued to members of the very first Mickey Mouse Club.
